

## Outstanding Educator Luncheon

**Dear**

Each year, students at the Governor's Honors Academy have the opportunity to honor an educator who has been particularly helpful, motivational or inspirational in their pursuit of their education—a teacher who has expected much while giving much of himself or herself.

I have selected you as the educator I will always remember and wish to honor, and I hope that you will be able to attend the luncheon and ceremony that will be held on the campus of Fairmont State University beginning at noon on Saturday, July 9. The 2016 Outstanding Educator Recognition Ceremony will take place in **the Wallman Hall Theatre**. Prior to the ceremony, brunch will be served beginning at noon, giving us the opportunity to visit informally in the Falcon Center dining room

So that the folks at GHA can know how many people will attend and so that they can communicate directly with you, please provide all of the information requested on the form included with this invitation. I will check with you again tomorrow to pick it up. After I submit the information to GHA, you will receive email communication with them in late June or early July.
